

# MEETING IN MIAMI

Last March 3 and 4, a significant representation of UHY partners in Latin America met in Miami in order to discuss various topics of interest to our firm, including:

Socialize the appointment of Subarna Banerjee as the new chairman of UHY International towards the end of 2021 and the interesting dynamics that is has imprinted on our firm, with clear objectives in terms of quality and growth.

The incorporation of UHY Consultants as UHY's representative in Colombia as of January 2022.

The various non-traditional services provided by UHY, the need to link the countries and these services at a Latin American level in order to expand the services' portfolio offered to our clients and strengthen the ties between the different firms that make up our region.

Managing the impacts brought by the pandemic to the provision of our services; the opportunities and challenges in the management of the firm for the post-pandemic period.
